SERVICE AGREEMENT

THIS AGREEMENT made and entered into on this date, December 12, 2014 by and between the City of Las Cruces, New Mexico, hereinafter called "CITY" and Integrity Testing & Inspection, of 3861 Vincent Station Drive, Owensboro, KY 42303 hereinafter called "CONTRACTOR".

1. PROJECT DESCRIPTION

Non-Destructive Testing (NDT)/Inspection of Gas Pipeline Welds for various City projects on an as-needed basis.

2. SCOPE OF SERVICES

In a satisfactory and proper manner, the CONTRACTOR shall perform SERVICES as stated in Exhibit A attached herein and made a part of this Agreement.

3. APPROPRIATIONS

The terms of this Agreement are contingent on sufficient appropriations and authorization being made by the City Council for the performance of this Agreement. If sufficient appropriations and authorizations are not made by the City Council, this Agreement shall terminate upon written notice given by the CITY to CONTRACTOR. The CITY'S, decision as to whether sufficient appropriations and authorizations exist shall be accepted by CONTRACTOR and shall be final.

4. COMPENSATION

The CITY shall compensate CONTRACTOR for the performance of SERVICES under this Agreement per the attached quote (Exhibit B) plus applicable taxes.

Payment will not be made by the City until services for that project have been received and accepted by the City as being in compliance with the instructions, specifications, and regulations listed herein.

CONTRACTOR is responsible for payment of State of New Mexico Gross Receipts Tax levied on the amounts payable under this Agreement. CONTRACTOR agrees to comply with all federal and state tax payments and report all items of gross receipts as income from the operations of its business.

5. DEVOTION OF ADEQUATE TIME

CONTRACTOR will devote the necessary time set forth as agreed upon to the performance of projects that are required by the CITY and it will serve the CITY diligently and faithfully, and according to its best ability in all respects and will promote the best interests of the CITY.

6. TERM AND SCHEDULE

This Agreement shall become effective on December 21, 2014 for a term of (1) one year and, pending mutual written agreement, may be extended for an additional four (4) one (1) year terms. If this Agreement is not renewed or is terminated, the CONTRACTOR shall be required to complete any projects still in progress at the rates negotiated for those projects.

CONTRACTOR shall perform the SERVICES in accordance with the time set forth as agreed upon by the CITY and CONTRACTOR and as agreed to for each project assigned under the terms of this Agreement.

7. EXTENSIONS, CHANGES, AND AMENDMENTS

This Agreement shall not be extended, changed, or amended except by instrument in writing executed by the parties. The CITY shall not be liable for payment of any extra services nor shall CONTRACTOR be obligated to perform any extra services except upon such written agreement. Such written approval shall indicate the date said extension, change, or amendment is effective and shall be signed by the parties to this Agreement. In the event that the parties cannot reach agreement as to a particular change, the issue shall be resolved pursuant to Article 21.

8. CHANGES AND EXTRA SERVICES BY THE CITY

The CITY may make changes within the general scope of the SERVICES plus may also request CONTRACTOR to perform other extra services not incorporated within the Services set forth in this Agreement. If the CONTRACTOR is of the opinion that such change causes an increase or decrease in the cost and/or the time required for performing the changes or other services required by the CITY, CONTRACTOR shall so notify the CITY, of that fact within five (5) business work days from the date of receipt of change by the CITY. The CITY shall provide written response to the CONTRACTOR within five (5) business work days from the date of receipt of CONTRACTOR'S written notification.

9. CHANGES AND EXTRA SERVICES BY THE CONTRACTOR

In the event a condition is identified by the CONTRACTOR which, in the opinion of the CONTRACTOR, changes the services, costs, and/or time required for performance under this Agreement, the CONTRACTOR shall provide written notification to the CITY within five (5) business work days of such identification. The CITY shall respond in writing to such notification within five (5) business work days from the date of receipt of CONTRACTOR'S notification.

10. DELAYS

In the event that performance of SERVICES is delayed by causes beyond reasonable control of CONTRACTOR, and without the fault or negligence of CONTRACTOR, the time and total compensation for the performance of the SERVICES may be equitably adjusted by written agreement to reflect the extent of such delay. CONTRACTOR shall provide the CITY, with written notice of delay pursuant to Article 9 including therein a description of the delay and the steps contemplated or actually taken by CONTRACTOR to mitigate the effect of such delay. The CITY will make the final determination as to reasonableness of delays.

11. TERMINATION

This Agreement may be terminated by either party hereto upon fifteen (15) calendar days written notice in the event of substantial failure by the other party to perform in accordance with the terms of this Agreement through no fault of the terminating party. This Agreement may also be terminated by the CITY, for its convenience or because the PROJECT has been permanently abandoned, but only upon fifteen (15) calendar days written notice to CONTRACTOR.

In the event of termination, CONTRACTOR shall be compensated for all services performed and costs incurred up to the effective date of termination for which CONTRACTOR has not been previously compensated.

Upon receipt of notice of termination from the CITY, CONTRACTOR shall discontinue the SERVICES unless otherwise directed and upon final payment from the CITY, deliver to the CITY, the required number of copies of all data, drawings, reports, estimates, summaries, and such other information and materials as may have been accumulated by CONTRACTOR in the performance of this Agreement, whether completed or in process.

12. RECORDS AND AUDITS

CONTRACTOR will maintain records indicating dates, length of time, and services rendered. The CITY has the right to audit billings both before and after payment, and contest any billing or portion thereof. Payment under this Agreement does not foreclose the CITY'S, right to recover excessive or illegal payments.

13. DISCLOSURE AND OWNERSHIP OF DOCUMENTS, PRODUCTS, DESIGN, ELECTRONIC FILES

All technical data, electronic files, and other written and oral information not in the public domain or not previously known, and all information, electronic files, and data obtained, developed, or supplied by the CITY, will be kept confidential and CONTRACTOR will not disclose to any other party, directly or indirectly, without the CITY'S, prior written consent unless required by lawful order.

All technical data, electronic files, products developed, operational parameters, blueprints, and other information and work of the CONTRACTOR shall be the sole property of the CITY, and shall be delivered to the CITY, when requested and at the end of each project.

14. INDEPENDENT CONTRACTOR

CONTRACTOR represents that it has, or will secure, at its own expense, all personnel required in performing the SERVICES under this Agreement. Such personnel shall not be employees of, nor have any contractual relationship with the CITY. CONTRACTOR, consistent with its status as an independent contractor, further agrees that its personnel will not hold themselves out as, nor claim to be officers or employees of the CITY, by reason of this Agreement.

To the extent that CONTRACTOR employs any employees, CONTRACTOR shall be solely responsible for providing its own form of insurance for its employees and in no event shall CONTRACTOR'S employees be covered under any policy of the CITY.

CONTRACTOR'S retention hereunder is not exclusive. Subject to the terms and provisions of this Agreement: (i) CONTRACTOR is able, during the Term hereof, to perform services for other parties; and (ii) CONTRACTOR may perform for its own account other professional services outside the scope of this Agreement.

CONTRACTOR is and shall be an Independent Contractor and shall be responsible for the management of its business affairs. In the performance of the work under this Agreement, CONTRACTOR will at all times be acting and performing as an Independent Contractor, as that term is understood for federal and state law purposes, and not as an employee of the

CITY. Without limitation upon the foregoing, CONTRACTOR shall not accrue sick leave, jury duty pay, retirement, insurance, bonding, welfare benefits, or any other benefits, which may or may not be afforded employees of the CITY. CONTRACTOR will not be treated as an employee for purposes of: Workers' Compensation benefits; the Federal Unemployment Tax Act; Social Security; other payroll taxes, federal or any state income tax withholding; or the employee benefit provisions described in the Internal Revenue Code of 1986, as amended. Neither the CITY, nor its agents or representatives, shall have the right to control or direct the manner, details or means by which CONTRACTOR accomplishes and performs its services. Nevertheless, CONTRACTOR shall be bound to fulfill the duties and responsibilities contained in the Agreement.

15. NO JOINT VENTURE OR PARTNERSHIP

Nothing contained in this Agreement shall create any partnership, association, joint venture, fiduciary or agency relationship between CONTRACTOR and CITY. Except as otherwise specifically set forth herein, neither CONTRACTOR nor CITY, shall be authorized or empowered to make any representation or commitment or to perform any act which shall be binding on the other unless expressly authorized or empowered in writing.

16. ASSIGNMENT

CONTRACTOR shall perform all the services under this Agreement and shall not assign any interest in this Agreement or transfer any interest in same or assign any claims for money due or to become due under this Agreement without the prior written consent of the CITY.

17. INSURANCE

CONTRACTOR shall obtain and maintain insurance at its own cost and expense during the life of this Agreement, and shall require Subcontractors, if any, to maintain during the life of his subcontract:

A. General Liability

\$1 million - Per Occurrence

\$2 million - Aggregate (The general aggregate must apply separately to each project)

Must include the following:

- 1) Premises/Operations: Covers liability arising out of the day-to-day operations of the business.
- 2) Products/Completed Operations: Covers liability after the job has been completed. This coverage must be maintained for 10 years after the work is completed (or length of statute/statute of repose)
- 3) The City must be named as additional insured: This coverage must be as broad as the coverage provided to the insured; Coverage must be primary and non-contributory coverage before any other insurance or self-insurance. A copy of endorsement for this coverage must be attached to the Certificate of Insurance.
- 4) Coverage shall remain in force for the duration of the contract
- 5) Must be Occurrence form coverage: Will cover the liability perpetually as long as coverage was in effect at time of occurrence.

B. Auto Liability

\$1 million - Each Accident

Must include the following:

- 1) Covers all owned, leased, hired and non-owned autos or "any auto"
- 2) The City must be named as additional insured: This coverage must be as broad as the coverage provided to the insured; Coverage must be primary and primary before any other insurance or self- insurance. A copy of endorsement for this coverage must be attached to the Certificate of Insurance.

C. Worker's Compensation

Per New Mexico Statute (3 or more employees)

\$1 million - Bodily Injury: By Accident - Each Accident

\$1 million - By Disease: Policy Limit

\$1 million - By Disease: Each Employee

This coverage required for non-construction contractor with 3 or more employees

Exception: Not applicable to out-of-state companies unless they are hiring in NM.

D. Excess Liability

This coverage is not required but may be provided by the contractor for supporting other required coverages that are less than the required limits.

\$5 million Per Occurrence

\$10 million Aggregate

Must include the following:

- 1) The City must be named as additional insured: This coverage must be as broad as the coverage provided to the insured; Coverage must be primary and non-contributory coverage before any other insurance or self-insurance. A copy of endorsement for this coverage must be attached to the Certificate of Insurance.
- 2) Must be Occurrence form coverage: Will cover the liability perpetually as long as coverage was in effect at time of occurrence.

E. Waiver of Subrogation

This must be stated on the certificate as it eliminates the right of the contractor's insurance carrier from recovering any damages from the City that were paid by the carrier under the contractor's general liability, commercial umbrella liability (Excess Liability), auto, or worker's compensation coverages and employers liability insurance maintained by contract requirements.

F. Notification Requirement

The certificate must state that coverage afforded under the policies will not be canceled or allowed to expire until at least 30 days prior written notice has been given to the City. Terms such as "endeavors to" are not acceptable.

CONTRACTOR shall furnish the CITY, with a certificate(s) of insurance showing CONTRACTOR and Subcontractors, if any, have complied with this Article. The CONTRACTOR shall provide insurance certificates before work is to start on the project and shall provide the CITY thirty (30) days written notification of cancellation of such policies.

18. INDEMNITY AND LIMITATION

CONTRACTOR shall indemnify, defend, and hold harmless the CITY, from and against any and all claims, suits, actions, judgments, demands, losses, costs, expenses, damages, and liability caused solely by, resulting solely from, or arising solely out of the negligent acts,

errors, or omissions of CONTRACTOR, its officers, employees, agents, or representatives in the performance of SERVICES under this agreement.

19. APPLICABLE LAW

This Agreement and the rights and obligations of the parties shall be governed by and construed by the laws of the State of New Mexico applicable to Agreements between New Mexico parties made and performed in that state, without regard to conflicts of law principles. Venue shall be in the Third Judicial District, State of New Mexico.

CONTRACTOR shall abide and be governed by all applicable state law, CITY ordinances, and laws regarding the CONTRACTOR'S services or any work done pursuant to this Agreement.

20. BREACH

In the event CONTRACTOR breaches any obligation contained in this Agreement, prior to instituting any action or dispute resolution procedure, the CITY, shall give CONTRACTOR written notice of such breach. In the event CONTRACTOR fails to remedy the breach within five (5) working days of receiving such written notice, the CITY, at its sole discretion, without any obligation to do so and in addition to other remedies available under applicable law, may remedy CONTRACTOR'S breach and recover any and all costs and expenses in so doing from CONTRACTOR.

21. DISPUTE RESOLUTION

In the event that a dispute arises between CITY and CONTRACTOR under this Agreement or as a result of breach of this Agreement, the parties agree to act in good faith to attempt to resolve the dispute.

In the event of termination, CONTRACTOR shall be compensated for all services performed and costs incurred up to the effective date of termination for which CONTRACTOR has not been previously compensated.

Upon receipt of notice of termination from the CITY, CONTRACTOR shall discontinue the SERVICES unless otherwise directed and upon final payment from the CITY, deliver to the CITY, the required number of copies of all data, drawings, reports, estimates, summaries, and such other information and materials as may have been accumulated by CONTRACTOR in the performance of this Agreement, whether completed or in process.

22. PROJECT ASSIGNMENTS

The City will make work assignments on an as-needed basis. However, this Agreement does not constitute a grant to the CONTRACTOR or any right to handle any specific testing or any specific number of tests. The City may, in its sole discretion, assign or reassign testing as it deems expedient. The City, when giving work assignments, will take into account the type of work the CONTRACTOR is capable of providing to the City, the jobs the CONTRACTOR has already performed or is currently performing for the City, the location of the proposed work as related to past work performed by the CONTRACTOR, the cost to perform such service as provided in the quote, and whether the CONTRACTOR can meet the project demands including their response time.

23. STANDARD OF CARE

The standard of care applicable to CONTRACTOR services will be the degree of skill and diligence normally employed by CONTRACTOR or consultants performing the same or similar services at the time said services are performed. The CONTRACTOR will re-perform any services not meeting this standard without additional compensation.

24. FORCE MAJEURE

The CONTRACTOR is not responsible for damages or delay in performance caused by acts of God, strikes, lockouts, accidents or other events beyond the control of the CONTRACTOR. In any such event, the CONTRACTOR contract price and schedule shall be equitably adjusted.

25. SPECIAL REQUIREMENTS

Verifiable evidence of the qualification, equipment necessary to perform the service, and experience of the CONTRACTOR'S testing lab and its technicians may be required when the technicians arrive on site to perform testing.

26. NOTIFICATION

All notices required or permitted under this Agreement shall be in writing and shall be deemed sufficiently served if served by Registered Mail addressed as follows:

SERVICES

- A. The Inspectors shall provide Non-Destructive (NDT) Testing/Inspection of Gas Pipeline welds (in accordance with Section 9 of API 1104) for upcoming projects as needed. Inspection will be welded steel gas lines ranging in size from 2" to 12" (pipe wall thickness 0.154" to 0.375"). One hundred percent of the welds will be x-rayed. In the event x-rays are physically not possible, the City's Project Manager or his designee will determine the appropriate NDT method. After the City requests an inspection, it is estimated that the inspection time will be variable depending on the specific project, and its complexity.
- B. Performance of the Non-Destructive (NDT) Testing/Inspection shall be in compliance with the most recent Department of Transportation, Pipeline Safety Regulations, current revision or as incorporated by reference.
- C. The code of acceptance for the technician's qualifications shall be the American Society of NDT, Recommended Practice No. SNT-TC-1A, current revision or as incorporated by reference.
- D. The code of acceptance for the quality of all welds shall be in compliance with the most recent American Petroleum Institute (API)-1104 Code regulations or current revision or as incorporated by reference.
- E. All x-rays or other approved API 1104 NDT tests shall be read by a SNT Level II or Level III x-ray Technician.
- F. The Inspectors lab and technicians shall have a minimum of four (4) years' experience in visual inspection and x-ray testing of gas pipelines in accordance with API-1104.
- G. Record-keeping on any project by the lab shall satisfy the requirements of Paragraph 192.243, "Nondestructive Testing" within the Department of Transportation "Pipeline Safety Regulations" current revision or as incorporated by reference.
- H. All x-ray films and reports shall become the property of the City. All NDT reports must be completed in its entirety.
- I. Drug & Alcohol Testing for Pipeline Safety Regulations: The Inspector shall establish and maintain separate programs for testing its employees for drug use, together with training for its employees, which programs shall comply with the requirements of 49 CFR part 199, Department of Transportation Gas Pipeline Safety Regulations. No work shall begin on the project until the City has determined that the Inspector's program meets such requirements. Upon notification of intent to award, the Inspectors shall submit a copy of their drug and alcohol testing program to the City Risk

Management Department for review and comment. The Inspector shall then submit a letter of compliance from Risk Management to the Project Manager stating that the Inspector does have testing programs in place and that such programs are in compliance with Department of Transportation requirements. The City, as the system operator, is responsible for compliance by the Inspector with the above regulations and in recognition of that responsibility the Inspector agrees to make its drug testing program records available to a duly authorized representative of the City at any reasonable time.

The Inspector further agrees that should the City determine that an employee of the Inspector who is working on the project and has not met the requirements of the inspector's programs or the above regulations, the Inspector will immediately prevent such employee from performing safety sensitive work until such time the employee meets such requirements.

- J. The Inspector at all times during a project shall have a responsible person as part of the work team at the project. This person will be the primary contact by the City for all agreement and work progress issues and discussions. This person is to be "in charge" of the project for the Inspector.

GENERAL

ATTACHMENT A is a draft of the agreement to be entered for the proposed services. The agreement will be for a one (1) year term with the option to renew at the discretion of the City for an additional four (4) one (1) year terms.

The City intends to award to multiple respondents to meet its need for services based upon the criteria herein.

SCOPE

1. A **maximum response time of 48 hours** is required unless mutually agreed upon by the City and Contractor for all field-testing services requested by the City. The pre-qualified Inspectors will be placed on a list with the highest rated on the top. For any given project, the City will start their selection at the top of this list at the time services are needed. In the event that the source at the top of the list is unable to respond to the request, the next Inspector on the list will be contacted. This process is based upon the City's need to obtain timely delivery of NDT services of gas pipeline welds and the City's concern that a single source may not always be able to supply timely services to meet the City's demand.

2. The Inspectors shall provide NDT in accordance with Section 9 of American Petroleum Institute (API) 1104 of gas pipeline welds for projects as needed. Inspection will be welded steel gas lines ranging in size from 2" to 12" (pipe wall thickness 0.154" to 0.375"). One hundred percent of the welds will be x-rayed. In the event x-rays are physically not possible, the City's Project Manager or his designee will determine the appropriate NDT method (i.e. Ultrasonic, Liquid Penetrant, Electro-magnetic). After the City requests an inspection, it is estimated that the inspection time will be variable depending on the specific project, and its complexity.

3. Performance of the NDT inspection shall be in compliance with the most recent Department of Transportation, Pipeline Safety Regulations, current revision or as incorporated by reference.
4. The code of acceptance for the technician's qualifications shall be the "American Society of NDT, Recommended Practice No. SNT-TC-1A", current revision or as incorporated by reference.
5. The code of acceptance for the quality of all welds shall be in compliance with the most recent API 1104 Code regulations or current revision or as incorporated by reference.
6. All x-rays or other approved API 1104 NDT tests shall be read by an SNT Level II or Level III x-ray Technician.
7. The Inspector's lab and technicians shall have a minimum of four (4) years' experience in NDT testing of gas pipelines in accordance with API-1104.
8. Record-keeping on any project by the lab shall satisfy the requirements of Paragraph 192.243, "Nondestructive Testing" within the Department of Transportation "Pipeline Safety Regulations" current revision or as incorporated by reference.
9. All x-ray films and reports shall become the property of the City. All NDT reports must be completed in their entirety.
10. Drug & Alcohol Testing for Pipeline Safety Regulations: The Inspector shall establish and maintain separate programs for testing its employees for drug use, together with training for its employees. The programs shall comply with the requirements of 49 CFR part 199, Department of Transportation Gas Pipeline Safety Regulations. No work shall begin on the project until the City has determined that the Inspector's program meets such requirements. After notification of intent to award, the Inspectors shall submit a copy of their drug and alcohol testing program to the City Risk Management Department for review and comment. The Inspector shall then submit a letter of compliance from Risk Management to the Project Manager stating that the Inspector does have testing programs in place and that such programs are in compliance with Department of Transportation requirements.

The City, as the system operator, is responsible for compliance by the Inspector with the above regulations and in recognition of that responsibility, the Inspector agrees to make its drug testing program records available to a duly authorized representative of the City at any reasonable time.

The Inspector further agrees that should the City determine that an employee of the Inspector who is working on the project has not met the requirements of the Inspector's programs or the above regulations, the Inspector will immediately prevent such employee from performing safety sensitive work until the employee meets such requirements.
