VIII. NEW BUSINESS
A. Quarterly NMJJAC Meeting (Update) – Javier Amaro

The continuum coordinators met on June 19 in Santa Fe. CYFD Secretary Blalock met with continuum coordinators and received a brief overview of the various programming for all 20 active continuums including Las Cruces. Coordinators expressed the needs to have additional funding for training, strategic planning, and further clarification on the fee for service allotments. Also discussed was some concerns on Senate Bill 58 (handout provided to local members).

Mr. Rank asked for names of who wrote the Bill.

Mr. Amaro said he would email the names to Mr. Rank.

The NM JJAC Board meeting convened on June 20, 2019 in Santa Fe. NMJJAC stated no Federal funding allocated for FY20 or FY21 for JJAC program. All funding is from the State. Several continuums still backlogged on processing
invoices for payment. Overall, JCC funding will revert 20-30% back to the state due to reduction of JPO referrals. CYFD secretary is looking at allocating more funding to prevention programing for JJAC from other state funded sources. JJAC grants for FY21-FY24 are planned to be for 4-years with a yearly renewal process. There will be an opportunity to request additional funding after first quarter if warranted.
